ACCOUNTING

Lindquist LLP hired Irene Levintov as audit manager in its San Ramon office. Before joining the accounting firm, Levintov worked for Mohler Nixon & Williams Accountancy Corp. in Campbell. Levintov is currently a member of the American Institute of Certified Public Accountants.

BANKING/FINANCE

Board of NorCal Community Bancorp and Bank of Alameda appointed Kevin Kennedy to the board of directors. Kennedy is the president and owner of Kevin Kennedy LLC, an Alameda-based financial planning firm.

City National Bank appointed Joseph Gallagher as senior vice president and manager to its commercial banking office in San Francisco. Gallagher will be responsible for depository and cash management services to middle-market companies. Previously, Gallagher served with Bank of America Merrill Lynch as associate division head and team leader overseeing that bank's commercial, consumer and high-net-worth specialists in Alaska, California, Hawaii, Oregon and Washington.

BIOTECH

NeurogesX Inc. a San Mateo biopharmaceutical company focused on developing and commercializing novel pain management therapies, appointed John Orwin to its board of directors. Orwin currently serves as senior vice president of bioOncology business unit at Genentech Inc., where he is responsible for marketing, sales, business unit and late-stage pipeline brand management.

Pearl Therapeutics Inc., a biopharmaceutical company based in Redwood City, appointed Howie Rosen to the company's board of directors. Rosen is currently a consultant to several companies in the industry and a lecturer in the department of chemical engineering at Stanford University. He previously served as vice president of commercial strategy at Gilead Sciences Inc., where he was responsible for strategic marketing and global brand management.

Solazyme Inc., a South San Francisco renewable oil and bioproducts company, added Michael Golembieski as senior vice president and general manager of nutritionals, where he will oversee the company's global food and feed ingredient business for renewable oils, purified microalgae and microalgae extracts. Most recently, Golembieski led strategy and business development for Splenda. Before that, he spent four years at Apath LLC. as vice president of finance and business development.

MEDIA/COMMUNICATIONS

Comcast SportsNet of San Francisco hired Quentin Archibeck as its national sales manager. Archibeck, who will work at the company's Los Angeles office, will be responsible for national advertising sales efforts for the network's core programming of the San Francisco Giants, Oakland Athletics, Golden State Warriors, San Jose Sharks and other Bay Area teams. Previously, Archibeck was account manager for two years at KCAL Los Angeles.

ORGANIZATIONS

The American Vineyard Foundation named Jim Frisinger as chairman. Before joining the Napa-based foundation, Frisinger was vice president of North Coast Vineyard Operations, where he oversaw 4,000 acres of vineyards,

handling strategic development and viticulture operations. Frisinger is a member of American Society of Enologists and Viticulturists, the Napa Valley Vineyard Technical Group and the Napa County Winegrape Pest and Disease Board.

PROFESSIONAL SERVICES

AgeSong, a family-run group of assisted-living senior communities in San Francisco and Oakland, appointed Diane Broach as community relations director for its Lake Merritt residence in Oakland, where she will be responsible for working with prospects and their families, developing community outreach programs, and implementing marketing strategies. Prior to joining AgeSong, Broach was community relations director for Emeritus Senior Living. She has also handled business developments for a number of Bay Area publications, including the East Bay Business Times and San Francisco Chronicle, and served as advertising director for the Oakland Tribune.

Conduit of San Mateo hired Boaz Goldschmidt as vice president of corporate development, where he will be responsible for strategic partnership. Before joining Conduit, Goldschmidt co-founded Yozma.

Nevada Gold Holdings Inc., a mineral exploration company headquartered in Walnut Creek, appointed David Rector as CEO and president. Before joining the company, Rector served key executive positions at Nano Holdings International Inc.

REAL ESTATE

Caldecott Properties Inc., a residential real estate brokerage located in Oakland, hired Michelle Vasey as vice president. Before joining Caldecott, Vasey spent 12 years with Pacific Union. In addition, the firm added Ron Reece as director of property management, Antoine Pirson as director of investment properties, and Jeanine Weller and Dion Nelson as sales associates.

Coldwell Banker Residential Brokerage, based in San Mateo, hired Sarah Doster as sales associate, where she will specialize in residential sales for San Mateo County.

Tribeca Cos., a private equity real estate investment firm located in San Francisco, hired Jeffrey Morris and James Roessler to the firm's investment committee. Morris has over 30 years of experience in national real estate investment advisory, portfolio-property management, and transactions. Previously, he was managing director of Metric Property Management. Roessler previously worked for Feher Young & Associates, a San Francisco-based investment brokerage, where he specialized in shopping centers and other retail properties.

TECHNOLOGY

Biz360, a Redwood City-based provider of media and market intelligence solutions, hired Puneet Arora as chief sales officer. In his new position, Arora will focus on accelerating sales for the company into small and midsize businesses as well as large enterprises. Most recently, he was vice president of corporate sales for Salesforce.com.

Elevation Partners, a Menlo Park private equity firm focused on large-scale investments in market-leading consumer and technology businesses, hired Rajiv Dutta as managing director. Most recently, Dutta served as executive vice president of eBay and president of eBay Marketplaces.

Immunet of Palo Alto appointed Zach Nelson to its advisory board. Nelson serves as CEO of cloud computing company NetSuite. Prior to NetSuite, he led initiatives at McAfee to create software as a service solutions for businesses. Before that, he led marketing groups at Oracle Corp. and Sun Microsystems Inc.

GlassPoint Solar, a provider of solar industrial process heat systems, hired John O'Donnel as vice president of business development. O'Donnel will drive the large-scale adoption of GlassPoint's technology while creating awareness for solar industrial process heat in new markets. Before joining the San Francisco firm, he co-founded and was executive vice president of Austra.

SPOTLIGHT EMPLOYER

Central Intelligence Agency

In 1947, President Harry S. Truman signed the National Security Act, creating the Central Intelligence Agency (CIA) with a mission to advise the President on intelligence matters related to national security. Today, as the premier agency responsible for providing global intelligence on the ever-changing political, social, economic, technological and military environment, the CIA accomplishes its mission through research, development, and deployment of high-leverage intelligence-gathering technology.
